

MINUTES OF GT BARTON PARISH COUNCIL MEETING
MONDAY 16th AUGUST 2021

Members present : Councillor Maggie Dunn chaired the meeting, with Councillors Peter Fisk, David Clarke and Steve Todd.

1 member of the public was present.

1. No declarations of interest were received.
2. There were no requests for dispensation.
3. The Parish Council **supported** the following planning applications:

Address	Reference	Details
Barton House, The Park	DC/21/1521/TPO	(a) 3 Ash - fell (b) 1 Holme Oak - reduce canopy by 3 metres
19 Anglesey Place	DC/21/1490/HH	(a) single storey front extension (b) first floor extension over existing garage (c) raising of roof to create increased first floor space and second floor attic (d) cladding to external elevations

Barton House – 2 of the Ash Trees are suffering from Ash dieback and 1 is rotten at the base. The Holme Oak has an abundance of old wounds and cavities, reducing the canopy will put less pressure on these.

Anglesey Place – This application is for the additional item of a room above the garage.

4. Councillor Peter Fisk proposed the Council allocate £246 to reconfigure the safety barriers at the School Lane/Downing Drive link footpath, to allow easier access for bicycles and buggies etc. Seconded Councillor Maggie Dunn, unanimous decision.
5. Councillors discussed the new planning statement for application DC/21/0916/OUT at Winslade, The Park. The Council has already objected to this application.
6. A further application has been received for Oak Ridge, Mill Road for 1 dwelling following the removal of the existing bungalow. An extension has been requested.
