

Great Barton Neighbourhood Plan

Drop-in session

Saturday 21 April 2018 - 10am to 3pm

Great Barton Village Hall

The Neighbourhood Plan provides the opportunity for residents to influence where further development should take place in the Parish. Some landowners have identified a number of possible housing sites, these are shown overleaf. There may be other sites which you think ought to be considered. We need your views on which (if any) sites you would support as we need to identify your preferred options in the next stage of the Neighbourhood Plan. Please do not miss out on the opportunity to influence this important decision.
